Certification Rating Statement Applications

To: Presidents and All Members

From: Lori Foote, Associate General Secretary – Professional Services

For Action

Please note that there was a temporary issue with the online certification rating statement application process. There are known examples of members receiving notification that their application was submitted successfully, yet the Certification Department did not receive some or all of their information.

Please encourage members who applied for a Certification Initial Rating Statement, Re-Evaluation Statement, or Course Approval for upgrading purposes between October 19 and October 24, 2018, to contact the Certification Department to verify that their application was received.
