

Long Term Disability Coverage Termination OSSTF Provincial LTD Plan

Understanding your options

Most members are in a highly vulnerable financial position when they are confronted with a loss of income during a lengthy or permanent disability. Long term disability (LTD) insurance provides a safety net that will replace a percentage of your salary and provide pension plan protection should you be unable to work because of an illness or injury.

Carefully consider your options prior to terminating coverage. Coverage cannot be cancelled retroactively. Cancelling your LTD coverage should only be done after serious consideration of potential consequences.

You may qualify to cancel your LTD insurance if you meet any **ONE of the following criteria as set out by your insurance policy.**

Scenario 1: Eligible for a 64% unreduced service pension

- You are eligible for a 64% unreduced service pension now, **or**
- You are eligible for a 64% unreduced service pension within the later of either the next 80 working days or the expiration of your sick leave credits

Scenario 2: Retirement date within the next 80 working days

- Your scheduled retirement date is within the next 80 working days and you have notified both the Teachers' Pension Plan and your board.

Scenario 3: You have recently turned 65

- You have reached the end of the month in which you turned 65, **or**
- You will reach the end of the month in which you turn 65 within the later of either the next 80 working days or the expiration of your sick leave credits

Things to consider if you are terminating your LTD coverage due to your scheduled retirement but you are not within the waiting period of eligibility for a 64% unreduced service pension or age 65:

- You are still eligible for coverage under the OSSTF Provincial LTD Plan up to the date of your retirement. You are not required to cancel your coverage simply because you have notified your board of your intention to retire.
- If you became disabled prior to your date of retirement, you have the right to make an LTD claim. If approved, LTD benefits would be payable until either you recover, you become eligible for a 64% unreduced service pension, **or** you reach the end of the month following your 65th birthday (as long as you were not receiving OTPP pension benefits).
