## White Ribbon Draw the Line Survey

To: Presidents and All Members  
From: Harvey Bischof, President

### For Action

OSSTF/FEESO has partnered with White Ribbon and worked on a variety of curriculum materials and initiatives promoting Draw the Line/It's Not O.K., an interactive campaign that aims to engage Ontarians in a dialogue about sexual violence. White Ribbon is the world's largest movement of men and boys working to end violence against women and girls, promote gender equity, healthy relationships and a new vision of masculinity.

In late 2016, OSSTF/FEESO asked members to take part in a survey, prior to our work with White Ribbon being released. We are now asking you to take part in this survey again to gauge our success with this initiative and to plan next steps. This survey is important to the campaign and is aimed at evaluating the success of an educational campaign focussed on promoting students' health. We encourage all members to fill out this survey which takes less than five minutes to complete. The survey can be completed in either English or French and must be completed by June 1.

The survey can be accessed through the link below or by pasting the link into your browser. The link is for all education workers to use.
