Workshop Writing Team Needed Classroom Management – Early Learning

To: Presidents and All Members
From: Harvey Bischof, President

For Immediate Action

OSSTF is looking for members interested in participating in the creation of a new workshop. Following our successful series of regional Kindergarten Symposia offered in 2016-2017 and 2017-2018, work will begin on an Early Years version to add to our highly-demanded Classroom Management workshops.

Active members in good standing who have experience working in the early years and who are interested in participating in this project are encouraged to apply. Applicants should confirm that they will be able to obtain time release before putting their name forward. Cost of time release and all other expenses will be covered through provincial office.

Anyone interested in putting their name forward for consideration should submit the attached application with two letters of reference by **June 8, 2018**. Local leaders are asked to forward this information to members who might consider being part of this new initiative. Local presidents will be contacted about applications from their members prior to them being considered by the Provincial Executive.

Applications are to be sent to OSSTF/FEESO provincial office by mail, fax 1-416-751-7079 or by email/scan to Rosemary.Judd-Archer@osstf.ca
