Staffing for 2018-2019

Probably the best news for our Occasional Teacher members is the fact that the Board is now in a hiring mode for 2018-2019. Currently, we have 18 retirements. There were no redundancies.

Branch Executives

This is the time of year that each school selects their Branch Executive for the next school year. If you are interested in becoming involved with OSSTF in any capacity, please see your Branch President. I encourage new members to get involved. It was wonderful to see a new group of interested and hard-working members recently elected to the OT Branch executive.

Thank You

As my term as President draws to a close, I would like to thank everyone whose advice, cooperation and hard work has made my task as President much easier. Over the years I have had the wonderful opportunity of working with many very dedicated and enlightening individuals whose support has been greatly appreciated, including past Presidents John Callaghan and Barb Young as well as current Federation Officer Stephen Lynch. We have made many tough decisions over the years for the benefit of our collective organization and we have always emerged strong and united. I am confident this will continue.

And last but certainly not least, it has been my pleasure to work with Carolyn Caldwell, our Executive Assistant, throughout our many years at the District office (and even in the previous office) and I owe her a great deal of gratitude for keeping us organized and maintaining our professionalism at all times. Thanks Carolyn!

Bye everyone. I wish you all the best.
