

AMPA 2019 Profiles

APRIL BRANDER

Please accept this email as formal indication of my desire to attend AMPA 2019 as a District 10 delegate.

I can credit my past attendance at AMPA for spurring my more active involvement in District 10. As of last spring's AMDA, I now hold a position on Executive Council as first Executive Officer. Additionally, I am the current branch president for Great Lakes Secondary School. In the past, I have held various branch positions including Social Chair for a long period of time, as well as branch CPAC and Status of Women Officer. I have been a long-serving delegate for my branch at AMDA, and as I said, have represented District 10 at AMPA on a few occasions as well. My attendance there really sparked my interest in the larger workings of our union. Now that I hold a position on Executive, I would appreciate the opportunity to attend AMPA 2019 and extend my knowledge and experience with the hope of better serving District 10 interests on the local level.

GEOFF BRENDERS

My name is Geoff Brenders and I would be honoured to represent d10 at AMPA for the 2019 year.

I have been with the board now for over 10 years, and every year I have striven to be a strong representative of the OSSTF.

I have participated at the branch, district and the provincial levels as an OT and as a permanent member.

I have served on multiple branch executives over the years as Treasurer and President.

At the district level I have been to many AMDA meetings as a voting delegate, and this year I am serving a term as an Executive Officer. I have represented d10 at AMPA many times in the past few years.

Provincially, I spent one year co-opted in a role on the Collective Bargaining Committee, serving on the NAC subcommittee organising and planning regional negotiations meetings several times a year.

I believe that I am a great candidate to represent d10 at AMPA this year. Thank you for your support.

TIM DOLBEAR

My name is Tim Dolbear and I am applying to Represent OSSTF District 10 at AMPA in March of 2019.

I have been involved with the union in various capacities for many years over my 22 years of teaching. Examples include; being Branch President at WDSS for over 5 years and attending Branch President training every year, being a branch delegate at AMDA numerous times, and attending AMPA once in a non-election year.

I would like to attend this year’s AMPA to experience and be involved in the election process and also be part of the 100th year of OSSTF. I look forward to representing D10 in this, the most critical time in teaching since the Harris years.

Thank-you in advance for your support,

Tim

DAVE PARKES

Dear Colleagues and Union Brothers and Sisters,

I have had the privilege of representing District 10 at the past six AMPAs. I would very much like to attend this year's AMPA as a delegate or alternate to be a part of the election process for our Provincial Executive. All indicators point to a challenging round of bargaining. Electing our provincial leaders is very important as we head into the spring. I am very keen to work as a part of the team to represent District 10 during the debate and motions that take place on the AMPA floor. My experience representing District 10 includes: many years as the branch president at NCIVS, two terms as Executive Officer, and my current role as Vice President of our District Executive, three years with the provincial Education Services Committee, and I am currently on the provincial workgroup researching corporate intrusions in education as a part of the provincial Annual Action Plan. I humbly put my name forward to be a part of this year’s District 10 AMPA delegation.

Thank you for your consideration,

Dave Parkes
Executive Officer

JENNIFER SCOTT

Greetings District 10 members,

I have been a member of District 10 since I started as an occasional teacher in 2009. With the help of engaged and experienced members, I was encouraged to get involved and participate in OSSTF more actively as an OT and now as a permanent teacher. I hope to pass along the same encouragement to new members as they enter our field.

I had the privilege of representing the Occasional Teachers as their President in 2016-2017. During this time, I gained valuable experience within the district at executive and district meetings, as well as attending AMPA for the first time in 2017 and again in 2018.

I have been fortunate to have worked with a variety of educated and engaging Branch Presidents and Executives at several different schools who continue to help me learn about initiatives and issues within our district and the province. I am currently assisting the Northern Collegiate Branch as their secretary.

Since this year is a significant anniversary for OSSTF and with the political climate impacting education, I hope to have the opportunity to stay engaged with OSSTF as a delegate at AMPA 2019.

Thank you for considering my application.

STEVE SPRING

Please accept this letter of application for a spot on the **AMPA 2019** delegation for D10.

I have gained a significant amount of insight attending AMPA over the past nine years. I would very much appreciate the opportunity to, once again, attend AMPA as a representative for the District.

I have many years of experience working with the OSSTF. In brief:

- 2016 - **Vice President**
- 2012 - 2016 **Executive Officer**
- 2009 - 2012 **Provincial Council**
- 2002 - 2009, 2018 - **Branch President - LCCVI**
- 2001 - 2002 **Collective Bargaining**
- 1997 - 2000 **Branch President - ELSS**
- 1993 - 2007 **Communications / Excellence in Education**
- 1991 - 1992 **Professional Development**

Thank you for taking the time to read and consider this letter of application.

Sincerely,
Steve Spring
