

My name is Tim Dolbear and I'm applying for the D10 Vice President position.

I have been Branch President at WDSS for over eight years and have attended District Council, rarely missing any meetings. I have also represented D10 at AMPA twice and been a representative at AMDA numerous times over my teaching career.

I feel I have a lot to offer in an Executive role and know we will require strong leadership to move forward in the next few years.

I am up for the task and appreciate you considering my application.

Thank-you,

Tim
